

Updated - IB Booklist for the Class of 2027

Dear IB Class of 2027 Students and Parents,

I hope everyone is well and looking forward to the new school year.

Below you will find a list of books needed for the IB Diploma Programme. Please remember the following:

1. Purchase the books anywhere you like. Most books can be purchased "used" on various websites.
2. You can switch classes during the first two weeks. If you are unsure about a class, you can hold off on purchasing the books. (However, if you are absolutely certain about a class, then please purchase the books).
3. The school purchases some books (this is usually specified somewhere on the listing). This is usually only done with online books (InThinking & Kerboodle) or books where we can obtain a discount for purchasing in bulk. Regarding these books, please either wire transfer the money to the account below or bring cash to school. Please note that Online Books, e.g., InThinking will be for a 2-Year subscription (you only need to pay 1x during the two-year programme).

We will inform you at the beginning of the year about the payment process.

Booklist Group 1:
