Gymnasium

CJD Christophorus Grammar School

Our Grammar School is located near the centre of Braunschweig. We are characterised by our many offers for students interested in mathematics and science and a warm school community.

From Year 5 to 13, the students become increasingly independent in their work. In the sixth form, students can choose from many courses to cover a broad spectrum of their interests. For very hard-working and talented students, there are even competence and excellence courses. These go beyond the prescribed school curriculum. There is close cooperation with many colleges and universities in Braunschweig and the surrounding area. At the end of Year 13 students take four written and one oral examination.

The language of instruction is German. In Year 10, students will need a B2 language certificate to follow the class discussion. From Year 11 onwards, the C1 certificate is expected. You can enter this grade with an extended secondary level I qualification or a comparable foreign qualification. Students who successfully pass the examinations are awarded the German Abitur. This entitles them to enter university anywhere in Germany.

International School

International School Braunschweig-Wolfsburg

We offer a unique approach to education in the English language that is tailored to each individual student and their family. Our international educational programmes are designed to help students grow, learn and develop their multilingual abilities. We provide a supportive environment, whole-day supervision, and access to many subjects.

We encourage our students to think critically and explore the world around them with an open mind. Our school uniform helps to create an environment of unity and empathy.

Our IGCSE classes in Years 9 and 10 develop and reinforce a broad range of skills needed for the IB Diploma Programme in Years 11 and 12.

The International Baccalaureate (IB) Diploma encourages personal and academic achievement, challenging students to excel in their studies and personal development. It is recognised and respected by the world's leading universities and is equivalent to the German Abitur.

By empowering our students with the IGCSE and IB programmes, we shape their journey toward a future filled with endless possibilities. Our students acquire critical-thinking, problem-solving and research skills, nurturing their intellectual curiosity and leading them to excellence.

Who are we?

CJD Boarding House

Our CJD Boarding House in Braunschweig thrives on the guiding principle of “Vielfalt leben – living diversity”. We take pride in offering a nurturing and inclusive home away from home for our students.

Welcoming young individuals starting from the age of 14 and from all corners of the globe, our Boarding House is a melting pot of cultures and backgrounds. By living together in a shared environment, our students experience a rich tapestry of diverse social interactions. Through daily interactions and communal living, they develop a deep sense of empathy and understanding for people from different walks of life. By sharing spaces and responsibilities, students cultivate essential life skills such as: independence, consideration, cooperation, and mutual respect. We strive to create an environment where every student feels **valued**, **respected** and **empowered** to achieve their full potential. In addition to academic excellence, we are committed to nurturing well-rounded individuals who are prepared to make meaningful contributions to a global society. Our diverse and supportive environment helps students build a strong foundation of social responsibility and ethical awareness. At CJD Boarding School, we believe that living diversity is not just a motto, but a way of life.

Braunschweig

Your new home

With a population of around 250,000, Braunschweig is the second largest city in Lower Saxony and the historic centre of the country's most important industrial region. Monuments and medieval squares along the Oker river give the city a special charm, making a simple stroll through its streets a memorable experience. Nestled in between the Harz Mountains and the Lüneburger Heide, Braunschweig offers many cultural and recreational opportunities. Due to its 19 parks, the "Lion City" offers an ideal environment for a high quality of life.

Braunschweig combines tradition with technology and excellent infrastructure with a prime location in the heart of northern Europe. The Technical University (Technische Universität Braunschweig) and numerous internationally renowned research institutions are the reason why Braunschweig has a very high rate of start-ups in the high-tech industry.

Braunschweig is one of the most research-intensive regions in Europe with an above-average density of scientists. With a diverse mix of industries and internationally operating companies, Braunschweig offers an exciting working environment with potential for the future. Braunschweig's business landscape spans a diverse spectrum, including finance, health, biotechnology, the automotive industry, and the intersection of IT and mobility.

A strong educational provider

With our neighbouring CJD schools in Braunschweig, the CJD Grammar School (Christophorusschule) and the International School, we offer a comprehensive school programme. The overriding goal at our schools is always the successful personal development and the associated close relationships.
